Disney Cruise Line Offer FAQ

Who qualifies as a Florida resident for this discount?

To qualify, at least one adult per stateroom must provide proof of Florida residency at the time of check-in. Acceptable documents include a valid Florida Driver's License or state-issued ID. If you don't have those, you can provide other documents dated within the last two months, such as a utility bill, mortgage statement, or lease agreement, along with a government-issued photo ID.

Can I use this discount on any sailing?

These special rates are limited to **select sailings** and specific stateroom categories. Availability is strictly capped at 50 staterooms per voyage, so it is best to check specific dates early. I can help you confirm if your preferred sailing date qualifies.

Can I combine this offer with other discounts or promotions?

No, this Florida resident offer cannot be combined with any other special offers, onboard credits, or promotional discounts. It is a standalone rate for eligible residents.

What happens if I can't prove my residency at check-in?

It is vital to have your documentation ready! If you are unable to provide acceptable proof of Florida residency upon check-in, your cruise fare will be re-priced to the current standard rate, and the balance must be paid in full before you are permitted to board.

How do I hold a stateroom if my travel plans aren't finalized?

Because this offer is capacity-controlled and can sell out quickly, I recommend that we look at your potential dates now. If you're interested in a specific sailing, I can help you check real-time availability and walk you through the deposit process to secure your spot before it disappears.

Terms: Proof of Florida Residency for at least one adult in each stateroom must be presented at time of check-in. Guests unable to show proper proof of Florida residency at check-in will have their cruise re-priced and the balance must be paid before being allowed to sail.

- Florida Driver's License
- Florida Identification Card

If you do not have one of the IDs indicated above, then you must provide one of the following—dated within the past 2 months—verifying a Florida residential address and your name, along with a corresponding, valid government-issued photo ID (such as passport, driver’s license, state identification card):

- Monthly mortgage statement
- Renter's lease agreement
- Current automobile registration, insurance policy or bill
- Current homeowner’s insurance policy or bill
