My Next Virgin Voyage Onboard Offer: Full Guide

Complete guide to Virgin Voyages' onboard offer: deposit amounts, booking deadlines, onboard credit rules, cabin eligibility, and transfer options for future cruises.

Prepared by Terrance Bortell · August 2, 2026

IMPORTANT

Major Policy Change

This article was updated on **August 9, 2026**, to reflect major policy changes to the My Next Virgin Voyage (MNVV) program announced by Virgin Voyages on August 6, 2026.

Summary of Changes

- **Name Changes & Transfers Restricted (Effective August 6, 2026):** Placeholders purchased on or after August 6, 2026, are non-transferable and do not permit name changes; the purchasing Sailor must travel. (Placeholders purchased prior to August 6, 2026, retain their original one-time transfer eligibility.)
- **Flexible Sailing Window (Rolling out Fall 2026):** The requirement to complete travel within 2 years is being eliminated. Sailors will instead have **1 year from deposit to convert** their placeholder into a confirmed booking for any available future sailing date.
- **Unchanged Policies:** Offer tiers (up to \$250 fare discount + \$250 Sailor Loot) and cabin category requirements (Sea Terrace and above) remain identical.

Old vs. New Policy Comparison

Policy / Feature	Old Policy (Purchases before Aug 6, 2026)	New Policy (Purchases on/after Aug 6, 2026)
Name Changes & Transfers	Permitted one time before choosing a voyage date.	Strictly prohibited. The original purchasing Sailor must travel.
Booking & Sailing Window	Must <i>complete travel</i> within 2 years of deposit date.	1 year to convert placeholder to a booking; voyage can depart anytime. (<i>Rolls out Fall 2026</i>)
Travel Advisor Incentive Use	Advisors could purchase placeholders themselves to transfer/gift to clients later.	Ended. Advisors can no longer purchase placeholders to transfer to clients.
Offer Value (Loot + Discount)	Scales by length (\$150, \$200, or \$250 Loot + Discount).	Unchanged.
Cabin Eligibility	Sea Terrace cabins and above.	Unchanged.

Intro

My Next Virgin Voyage is an onboard-only offer for guests already sailing with Virgin Voyages, the adults-only cruise line known for luxury experiences across the Caribbean, Mediterranean, and beyond, with homeports in Miami, Barcelona, and Athens providing access to over 100 destinations. By placing a \$150 USD deposit while embarked, sailors can lock in a future voyage and unlock a fare discount plus onboard credit that scales with the length of that next sailing. This guide walks **you** through how the offer works, who it suits, and the key rules and deadlines to keep in mind, so **you** can make the most of it before **you** disembark.

Offer Value by Voyage Length

Voyage Length	Fare Discount	Onboard Credit (Sailor Loot)
4-5 nights	\$150 USD	\$150 USD
6-8 nights	\$200 USD	\$200 USD
9+ nights	\$250 USD	\$250 USD

Registration Requirements & Eligibility

- Registration must take place onboard a Virgin Voyages ship while sailing; the offer is not available after disembarkation and cannot be extended once sailors leave the ship.
- A \$150 USD deposit is required to register (or, if a future voyage date is already known, an alternative deposit of 20% of that voyage's fare can be used instead).
- The deposit is refundable for seven (7) days after registration; after that window, it converts into a Future Voyage Credit valid for one year.
- Applies to Sea Terrace cabins and above, including Mega RockStar and RockStar Quarters categories.
- Sailings of less than four (4) nights are not eligible for this offer.
- As of October 7, 2025, Base, Essential and Premium fare bookings qualify for the promotion.
- The offer applies to new bookings only and cannot be applied retroactively to previous reservations.
- Sailors may register for up to four (4) separate My Next Virgin Voyage offers.
- Name Change & Transfer Restriction: For placeholders purchased on or after August 6, 2026, transfers and name changes are not permitted; the purchasing Sailor must travel. (Offers purchased before August

6, 2026, retain their one-time transfer eligibility).

- Only one My Next Virgin Voyage offer can be applied per future reservation.
- Sailors get one (1) voyage date change; if the change moves the booking to a longer voyage, the offer value automatically updates to match that longer tier.
- Booking Window: Currently, sailors have two years from the deposit date to complete travel. Starting in Fall 2026, this rule changes: sailors will have exactly one year to convert their placeholder into a confirmed booking, but the voyage itself can depart at any time in the future.
- This offer can be combined with most other offers, but not with deeply discounted rates such as sweepstakes, casino, charter, or lock-it-in rates.

Deposit Amounts & Currency Conversion

Voyage Length	USD Deposit	Fare Discount + Onboard Credit	CAD	GBP	EUR	AUD	NZD
4-5 nights	\$150	\$150 + \$150	\$205	£120	€140	\$225	\$245
6-8 nights	\$200	\$200 + \$200	\$270	£160	€185	\$300	\$325
9+ nights	\$250	\$250 + \$250	\$340	£200	€230	\$375	\$410

Key Booking Deadlines & Timeframes

Milestone	Timeframe / Deadline
Registration window	Must register while embarked and sailing aboard a Virgin Voyages ship; not available after disembarkation
Deposit refund period	Refundable for 7 days after registration; after 7 days it converts to a Future Voyage Credit valid for one year
Booking window	Currently two years from the deposit date to complete travel. Starting Fall 2026, sailors have 1 year to convert the placeholder, but the sailing date can be anytime in the future.
Voyage date change	One-time voyage date change allowed; upgrading to a longer voyage automatically updates offer value to that tier
Offer transfer window	No longer permitted for purchases made on or after August 6, 2026. (Purchases made before this date retain a one-time transfer option before a voyage date is chosen).
Separate balcony upgrade promotion	Bookings must be made by August 31st for free balcony upgrade and 70% off a second sailor
Fare eligibility update	As of October 7, 2025, Base, Essential, and Premium fare bookings are eligible for this promotion
Terms last updated	August 6, 2026

Refund & Future Voyage Credit Window

IMPORTANT

The \$150 USD deposit for the My Next Virgin Voyage offer is refundable only for seven (7) days after registration. After that window closes, it automatically converts into a Future Voyage Credit, which is then valid for one year. Separately, sailors currently have up to two years to complete travel, though starting in Fall 2026, they will instead have exactly **one year to convert** the placeholder into a booking for any future voyage date. Keep the 7-day refund deadline in mind **if you think you might change your mind** shortly after registering onboard.

Onboard Credit (Sailor Loot) Rules

- Onboard credit (Sailor Loot) is issued in USD only, regardless of the currency used for the deposit
- Sailor Loot cannot be redeemed for cash

- Sailor Loot cannot be rolled over to a consecutive voyage — it must be used on the voyage it's tied to
- Offer value scales with the length of the future voyage booked: 4-5 nights earns \$150 onboard credit, 6-8 nights earns \$200, and 9+ nights earns \$250 (each paired with an equivalent fare discount)
- Only one My Next Virgin Voyage offer can be applied to a single future reservation, even though sailors may register for up to four separate offers
- The offer can be combined with most other promotions, but not with deeply discounted rates such as sweepstakes, casino, charter, or lock-it-in rates
- Sailings shorter than 4 nights do not qualify for this offer
- If a sailor changes their voyage date (one change is permitted) from a shorter to a longer voyage, the onboard credit value automatically updates to match the longer voyage's tier
- Applies only to new bookings — it cannot be applied retroactively to a reservation already made

Changing or Upgrading Your Voyage

- Sailors are permitted one (1) voyage date change under this offer.
- If the change involves upgrading from a shorter voyage to a longer one, the offer value automatically updates to match the longer voyage's tier (e.g., moving from a 4-5 night to a 6-8 night sailing raises the benefit from \$150 fare discount + \$150 onboard credit to \$200 fare discount + \$200 onboard credit).
- Only one My Next Virgin Voyage offer can be applied to any single future reservation, even after a date change or upgrade.
- The offer applies to new bookings only and cannot be retroactively applied to a previous booking.
- Onboard credit (Sailor Loot) is issued in USD only, cannot roll over to another voyage, and cannot be redeemed for cash.

Transfer & Multi-Offer Restrictions

- Sailors can register for up to four (4) separate My Next Virgin Voyage offers.
- Only one My Next Virgin Voyage offer may be applied to a single future reservation — offers cannot be stacked on one booking.
- Transfers are no longer permitted for offers purchased on or after August 6, 2026. The person who purchases the placeholder must remain the original Sailor attached to it. (Placeholders purchased prior to this date retain the original one-time transfer rule).
- The offer applies to new bookings only and cannot be applied retroactively to a reservation already made.

- Registration must take place while embarked and sailing aboard a Virgin Voyages ship; the offer is not available or extendable after disembarkation.
- Sailors get one (1) time voyage date change; switching from a shorter to a longer voyage automatically updates the offer to the longer-voyage value tier.
- The offer can generally be combined with most other promotions, but not with deeply discounted rates such as sweepstakes, casino, charter, or lock-it-in rates.

Combining with Other Promotions

- Can be combined with most other Virgin Voyages offers.
- Cannot be combined with deeply discounted rates, including sweepstakes, casino rates, charters, and lock it in rates.
- Only one My Next Virgin Voyage offer may be applied to a single future reservation, even though sailors can hold up to four separate registrations.
- As of October 7, 2025, Base, Essential, and Premium fare bookings are eligible for this promotion.
- A separate promotion offering free balcony upgrades and 70% off a second sailor is available for bookings made by August 31st; check whether that window still applies before **booking**.

Voyage Exclusions & Booking Constraints

- Sailings less than four (4) nights are excluded from the offer.
- Registration must occur while embarked and sailing aboard a Virgin Voyages ship — the offer is not available after disembarkation.
- Offer applies to new bookings only and cannot be retroactively applied to previous bookings.
- Only one My Next Virgin Voyage offer may be applied to a single future reservation, though sailors can register for up to four (4) separate offers overall.
- Cannot be combined with deeply discounted rates, including sweepstakes, casino, charters, and lock-it-in rates.
- As of October 7, 2025, Base, Essential, and Premium fare bookings are eligible for this promotion (note: this eligibility detail is time-sensitive and may change).
- Offer applies to Sea Terrace cabins and above (including Mega RockStar and RockStar Quarters).
- Onboard credit (Sailor Loot) is issued in USD only, cannot be rolled over to consecutive voyages, and cannot be redeemed for cash.

- Sailors currently have two years from the deposit date to book and sail, but starting Fall 2026, this changes to a **one-year conversion window** for any future sailing date.
- The deposit is refundable for seven (7) days after registration; after that it converts to a Future Voyage Credit valid for one year (a time-sensitive detail worth confirming at booking).
- The offer is **non-transferable** for any placeholders purchased on or after August 6, 2026.
- Sailors have one (1) time voyage date change eligibility; upgrading from a shorter to a longer voyage automatically updates the offer value to the longer voyage tier.

If a sailor already knows the future voyage date at the time of registration, there's an alternative to the standard \$150 USD deposit: they can instead put down 20% of that voyage's fare. As with the standard deposit option, registration must take place while onboard the ship, since the offer isn't available after disembarkation.

IMPORTANT

Registration for the My Next Virgin Voyage offer must be completed while embarked and sailing aboard a Virgin Voyages ship — it cannot be registered for or extended after disembarkation. The offer applies to new bookings only and is not retroactive to previous bookings. It requires a \$150 USD deposit made onboard (or an alternative 20% of voyage fare if the future voyage date is already known), and sailors currently have two years from the deposit date to book and sail (shifting to a one-year booking conversion window for any future sail date starting Fall 2026). Note that as of August 6, 2026, the offer is non-transferable.
