Common questions

What if I don't have my confirmation number?

You can find this in the original confirmation email sent by MSC at the time of booking. If you cannot locate it, please contact us for assistance.

Can I do this on someone else's behalf?

The lead passenger on the booking must sign the form to authorize the transfer of the reservation.

What happens after I finish?

MSC will review your request. Once approved, they will notify us, and we will assume management of your booking. Your reservation details, stateroom, and sail date remain exactly as they were.

Still stuck?

If you have questions about eligibility or need help filling out the form, please reach out to your advisor directly.
