Virgin Voyages Bar Tab: Onboard Drink Credit

Learn how to pre-purchase Virgin Voyages Bar Tab onboard beverage credit, earn bonus credit, and maximize your premium drinks across the fleet.

Prepared by Terrance Bortell · July 11, 2026

Virgin Voyages, the adults-only cruise line sailing to destinations across the Caribbean, Mediterranean, and beyond, offers Bar Tab as a pre-purchased onboard credit (part of its Sailor Loot system) that Sailors can spend on premium beverages across all ships and at The Beach Club at Bimini. This guide answers the questions advisors hear most often about how Bar Tab works, how it's purchased, what it covers, and the rules around bonus credit, cancellations, and refunds.

What Is Bar Tab?

Bar Tab is a pre-purchased amount of onboard credit (Sailor Loot) that Virgin Voyages sailors put toward premium beverages—both alcoholic and non-alcoholic—across all ships and at The Beach Club at Bimini. It can be shared among cabin mates or other sailors, making it a flexible way to cover drinks throughout the voyage.
